Are you looking for a midwife? We are pleased to assist you!

We support you in the time after giving birth and help you to find yourself comfortable and healthy within the new situation. During these intensive weeks it is important to us to assist you individually according to your requirements. We offer our services in Opfikon/Glattbrugg as well as in Affoltern, Oerlikon, Seebach an Schwamendingen. Further areas on request.

We are looking forward to hearing from you.
